Mr. William J. Casey, Director  
Central Intelligence  
CIA Headquarters  
Washington, D. C.

Dear Director Casey:

It was extremely nice of you to drop into my office to let me know you are aware of our activities and approve of them. I have passed on your comments to the real workers in this office who are the ones who really deserve the credit.

It appears to me that you may be aware of only a few of our activities and I would like to take this opportunity to offer a complete briefing on all of our public diplomacy activities to date . I think you will be pleasantly surprised at the number of actions which have been taken since the establishment of this office in July 1983.

If you have 30 minutes to be briefed on our activities, I would be very happy to come out to Langley. Please have your secretary call me at 632-7023 to arrange a mutually convenient time.

Again thank you for your very nice gesture and words of encouragement.

Sincerely yours,

Otto J. Reich  
Coordinator of Public Diplomacy  
for Latin America and the Caribbean
